Solutions to Assignment Name

## Parition of questions

### Question

### Question with footnote<sup>1</sup>

### Question with pts annd footnote<sup>2</sup> (2 pts)

Solution content.

### Question with listings (2 pts)

Solution with small questions.

- (a) Solution to the first question.
  - (I) Solution to the first question.
  - (II) Solution to the second question.
    - (A) Solution to the first question.
    - (B) Solution to the second question.
- (b) Solution to the second question.
  - (i) (2 pts) Solution to the first question with pts.
  - (ii) (3 pts) Solution to the second question with pts.
- (c) Solution to the third question.
  - (1) Solution to the first question.
  - (2) Solution to the second question.

### Question with bold listing labels

- (1) Solution to the first question.
- (2) Solution to the second question.
  - (A) Solution to the first question.
  - (B) Available options: `\arabic\roman\Roman\alph\Alph`. The default: `\arabic`.
